ACISI

One visit, six steps

Follow Grace Wairimu through a morning at Avyora Health – Westlands. Every screen in this walkthrough is the real ACISI system.

1
Phone check-in

Grace checks in from home and pays the KES 100 check-in fee by M-Pesa.

2
Reception

Her arrival appears at the front desk straight away. A walk-in is added too.

3
Department queues

Each department has its own queue; each doctor sees only theirs.

4
Consultation

The doctor writes notes and a prescription, then signs with a PIN.

5
Checkout

The prescription is waiting at the front desk for billing and payment.

6
Patient record

Grace can see and download her visit record on her phone.
